

HRYS College Showcase Glory Program

Herndon Reston Youth Softball

High School Juniors and Seniors
Register today for the 2010 College Showcase Glory Program at
www.HRYSfastpitch.com/showcase

Herndon Reston Youth Softball is proud to present the 2010 Showcase Glory Program

This program is designed for high school Junior and Senior softball players in the HRYS league and the surrounding communities who wish to participate in softball college showcase tournaments and who are interested in exposure to college and university softball programs and coaches during their last two years of high school. Participation is based upon a successful try-out.

The goal of this exciting program is to support a player's desire to compete in softball after her high school career is completed. Players will be exposed to colleges offering scholarship programs as well as schools that offer players a chance to compete at the collegiate level as a walk-on (non-scholarship). Players on Showcase Glory will focus not only on developing their individual playing skills but also on working as part of a team. Experience has taught us that collegiate coaches are as interested in a player's individual skills as well as her team attitude.

Softball player's skills can be developed with good coaching, while a player's positive attitude, work ethic, and sense of team comes from her passion for the game. Showcase Glory is for players who have this passion!

2010 Try-Outs

Try-Outs will be January 24, 2010 from 6:00 – 8:00 PM at [South Lakes High School](http://SouthLakesHighSchool.com).
For more information about try-outs contact ShowcaseGlory@HRYSfastpitch.com

Conditioning opportunities for interested players will begin January 8, 2010 at the Herndon Community Center. Visit www.HRYSfastpitch.com for details about our 2010 Winter Softball Athletic Conditioning.

Commitment

Participation in the Showcase Glory program requires additional commitments on the part of the coaches, players, and parents. Players, and parents, need to make sure that their time management skills are sharpened to ensure that they can successfully participate in this program.

High School Seniors - February 2010 to August 8th, 2010

High School Juniors - February 2010 to November 7th, 2010 (excluding 4 weeks Aug 08- Sept 04)

Financial requirement of approximately \$250 for the spring/summer season and \$150 for the fall season - plus any associated travel costs. An additional \$200-\$300 (approximately) per player will be required to create her Player Profile and Skills' DVD.

High School Softball Players

Showcase Glory players who play on their local high school team may still be able to sign up for Showcase Glory. The HRYS League works with all local area high schools to support their athletic programs, strives to make sure the Showcase Glory program does not conflict with the high school season, and will accommodate Varsity and Junior Varsity high school players' schedules.

Player Profile and Individual Skills' DVD

Players who participate in the program will work with the Showcase Glory coaching staff to create a Player Profile and an Individual Skills' DVD which will be placed on the team's web page for distribution at college showcase tournaments. Profiles and DVD's will be available for players to distribute to colleges and universities of their choice.

College Recruitment

Parents and players will be able to participate in learning sessions regarding how to approach colleges about recruitment possibilities; will be provided information on how to contact college coaches; and will be given guidelines for marketing players at the collegiate level.
