

Herndon Reston Youth Softball (HRYS) Programs for Players in Grades 9-12

HRYS has created several softball programs to fit the needs of our high school age softball players. The league provides non high school team players in grades 9-12 an opportunities to play competitive local area softball against 6 leagues in the northern Virginia area. For players who have decided to play for their high school team, HRYS has teams that form after the end of the Junior Varsity and Varsity seasons.

In addition, each summer and fall HRYS creates the Glory All-Stars/Travel Program comprised of players from our league. Our motto is: *If you want to go for the Glory, you need to come from our house.* In order to try out for Glory All-Star/Travel Program, players must have participated in one of the spring league programs outlined below.

Grades 9-12 - HRYS Spring Competitive House Season

HRYS softball has a dynamic 16-18U softball program for all players in grades 9-12 who are not playing on high school teams – this includes freshmen who are still eligible for 14U. Practice begins the week of March 13, 2010 and the season runs until June 6th. This team competes against teams in 6 local area leagues and concludes the season with an interleague championship. There are 1-2 practices a week with games played on Thursday evenings and Saturday late afternoon double-headers. Many summer All-Stars players come from this team. To be on the Glory team this summer/fall, players must participate in the house program. Register now for team assignments. www.hrysfaspitch.com/register
